## Malibu Summer School 2018

April 17, 2018

### GET Ahead – Classes for Acceleration – June 18 – July 20, 2018 (8:00am – 12:30pm)

Due to high interest in Get Ahead courses, we have a lottery for spaces. In order to be enrolled, a student must submit a completed Get Ahead application no later than Friday May 4<sup>th</sup>, 2018 to your counselor. Late applications will be added to the bottom of the waitlist in the order they are received.

### Geometry P – *Prerequisite*- Current 8<sup>th</sup> graders

Student MUST be in Algebra I with a “C” or higher in each semester.

### General Information

Due to the fast pace of summer classes, attendance is critical. Students missing 3 days may be dropped from summer school.

A tardy of 30 minutes or more is equivalent to an absence.

Attending summer school is a privilege. All school rules will be enforced. Once again, because the curriculum is so compressed, it is critical that students behave properly and not distract their peers in class. Inappropriate and/or distracting behavior will be dealt with accordingly. Consequences may include being dismissed from summer school.
